

VENUE OVERVIEW

Casselman's Bar & Venue is a full-service live entertainment and special events venue. Casselman's is located in North Downtown "NoDo", Denver's newest entertainment and arts district. Casselman's features a huge wood-barrel roof originally built in the 1940's; preserved with its' natural wood luster. Casselman's has a one stop solution for all of your live entertainment and special events needs. We are self contained with a state-of-the-art audio/visual system, full service bar and kitchen.

Casselman's features a large back room that can accommodate over 1,000 people standing or 350 seated for dinner and anything in-between. The diversity of the venue is astounding! Quality, comfort, customer service, cleanliness and uniqueness is our trademark. Our experienced staff will make any event perform with utmost diligence and care. Casselman's has a bar menu for the regular patron base. our in-house chef offers a completely tailored menu for any corporate and private clientele. Smaller parties can enjoy a more intimate setting in the front bar area for any occasion.

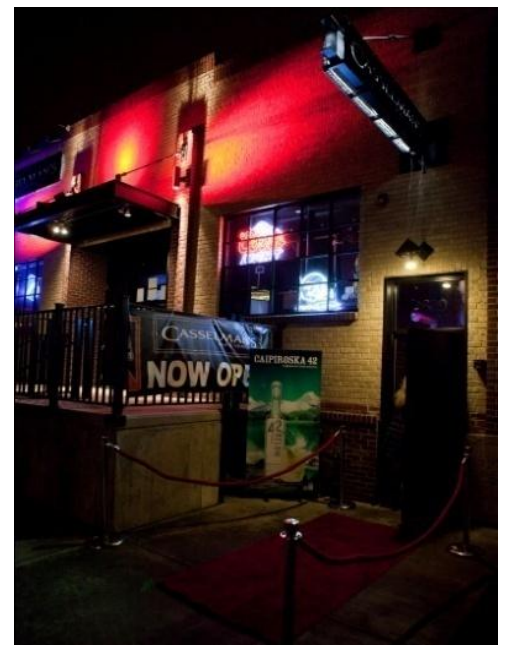

Casselman's offer a perfect setting for live music, holiday parties, business seminars, social networking events, banquets, non-profit / charity , comedy shows, burlesque shows, fundraisers, birthday parties, anniversaries, reunions, bachelor parties, fashion shows etc...

Casselman's has a 13ft wide screen and projector and multiple LCD screens in the front bar area perfect for movie premieres, short films, presentations, slide shows, websites, interactive live technologies, sponsor logos, presentations, etc.... Casselman's audio/visual system is robust enough to accommodate almost any interconnection throughout the venue (e.g. iPods, laptops, video cameras). High Speed public Wi-Fi is accessible throughout the building and an ATM can be found in the main room.

Casselman's can facilitate ticket sales with a fully integrated online web-based ticketing system. This print at home ticketing solution makes it easy for your guest to login and purchase tickets!

Equipment can be easily transported into the building with two load-in ramps. Our large stage included a movable 24' runway for fashion shows.
